

ISCHUA VALLEY HISTORICAL SOCIETY

COMMUNITY GIVE PACK DAY

Franklinville can certainly be proud of the students in the senior class of Franklinville Central School. Thursday, May 26th was designated as COMMUNITY GIVE BACK DAY and twelve students appeared bright and early to work at the Miner's Cabin and 3 Park Square.

They enthusiastically cleaned, polished woodwork, scrubbed windows and mopped floors. Boxes of artifacts were also relocated. They worked under the direction of Betty Hackett, a member of Ischua Valley Historical Society, and Al Fish, the Vice-President of the organization.

Betty and Al were full of praise for these hard workers whom they described as polite, cooperative and interested in what they were doing. The students did a terrific job in helping the Historical Society prepare the sites for the summer tourist season. There seemed to be a lot of laughter, music and friendly banter among the participants as they enthusiastically "gave back to their community."

We would like to thank the Superintendent and Board of Education for letting these "super" and "awesome" students volunteer for our organization.
