WATER CURE AT FRANKLINVILLE

Ad that appeared in the CATTARAUGUS REPUBLICAN NEWSPAPER, Dec. 1846

An establishment is now in readiness at the above place for the reception of patients. From a firm belief that the application of water is an unlimited benefit to suffering humanity, the subscriber here to erect for the above named establishment all the different baths necessary for the treatment of diseases. Also persons will be in readiness to assist patients. Charges for boarding and Medical advice, moderate. All those who favor the subscriber with their patronage will meet with prompt attention.

N.B. Any person arriving at this place can receive information of L. Salisbury, respecting the establishment.

N. B. Reed, M.D. (Where was this place located? Was it successful?)
